Dear Business owner,

We are seeking donations to benefit the "Bands and Orchestras of Santiago Sharks" (B.O.S.S.) program at Santiago High School in Corona. We are seeking monetary donations, merchandise, or gift cards to assist in our fundraising efforts for the 2023-2024 school year. Our booster board has many fun and exciting events planned for our kids and we are in the process of booking field trips, entering into parade competitions, upgrading instruments, and planning for our Quarter-ma and Bingo fundraisers to help assist in the cost of providing an amazing year for our students. I am also very proud to tell you our Santiago Sharks Marching Band & Color Guard will be making a 3rd appearance in the Tournament of Roses Parade on January 1st, 2024.

The B.O.S.S. Bands Orchestras and Color Guard Boosters is a non-profit organization that benefits the band and color guard programs here at Santiago High School. Our band and color guard programs are the largest high school group in the Corona Norco Unified School District with almost 300 students. Having businesses in the area who support our schools is a tremendous help to us. Your willingness to donate in the community is greatly appreciated.

If you need any further information or would like to donate, please contact Booster President Michael Greany at shsbosspresident@gmail.com or 951-545-2888.
