Band Boosters

The Booster Organization is an incorporated non-profit organization made up of parents and other interested parties whose sole purpose is to support the Santiago Band, Orchestra and Color Guard programs and its activities through its moral support and fundraising projects.

Important Budgeting Information

The largest portion of income to the booster budget is individual donations. To insure the continued success that the BOSS program is known for, we ask that all members consider making a tax-deductible donation to the BOSS Boosters this summer.

Booster Information

Fundraisers will be offered throughout the year to help raise funds for various band, orchestra and color guard activities and expenses.

Spirit Nights will be held at various local restaurants throughout the year. Be sure to take your flyer!

Booster Meetings are held monthly. Meetings in November, February and May will be general meetings and open to all parents.

Volunteers are the back bone of our program! It takes a lot of hands to complete the tasks necessary to run a program this large. Please contact the 1st Vice President for more information.
